

**Town of Lyndeborough
Cemetery Trustees
Meeting of June 26, 2007**

Present: James Button and Robert Rogers, Trustees, and Neal Cass, Town Administrator

1. Cemetery work schedule: The weekly hours allocated seem appropriate at the moment.
2. Budget: Thus far, we are on target, but the budget must be monitored regularly.
3. The mapping of the South Cemetery is nearly complete. Dave Palance will provide maps and data on disk when he has finished. We will review the work at the next meeting.
4. Interviews of persons interested in the vacancy on the Board of Trustees were held last week. All candidates had strengths valuable to the Board.
5. Bob Rogers moved, seconded by James Button, to appoint Virginia Chrisenton to the vacancy on the Board of Trustees. It was felt that her substantial expertise with computers is especially needed at this time.
6. Jim Button moved, seconded by Bob Rogers, to set the first and third Tuesdays of the month for our regular meeting date. Meetings will be at Citizens' Hall at 4:30PM.
7. Other: At a future meeting, we will consider the employment of a Sexton to oversee the maintenance of the cemeteries.

Respectfully submitted,

Robert H. Rogers
Trustee
