

**Town of Lyndeborough  
Cemetery Trustees  
Meeting of September 27, 2008**

Present: Jim Button, Ginny Chrisenton, Bob Rogers

1. Signed letters to Ian Howe, Chris Morse and Mike Rolke to commend them for their work in the cemeteries this summer.
2. Discussed the donation of a trailer by Kent Perry, but we were unsure if it was to the Cemetery Department or to the Highway Department.
3. The Budget:  
Expenditures were analyzed. Labor costs will go slightly over by end of year.  
The oldest mower is dead. Jim will contact Chappell to purchase a new one.  
Gravestone repair: Bob will contact Dick Medlyn to get a commitment.  
Mapping money is committed and will be encumbered.  
Gasoline: Kent should be contacted to determine what we owe Highway Dept.  
We will need to spend around \$400 more for fall cleanup.
4. Bob suggested that Jim do another analysis of hours spent in each cemetery to update our baseline for comparisons.
5. Dave Palance needs a copy of the updated Johnson Corner map so he can complete his work. Bob should do this.
6. Bob and Ginny will compile list of stones that need repair.

The meeting was adjourned at 7:15 PM.

Respectfully submitted,

Robert H. Rogers
