To obtain a copy of a birth certificate, death certificate, or marriage certificate, please call ahead so that we can research the matter and have it ready before you come in. A fee of \$12.00 is required by law RSA 126:13 & 15 for the search of the file for any one record.

The requirements to obtain a **marriage license** in the State of NH are as follows:

Both parties must be present.

You must know your parent's full names (mother's maiden) and dates of birth.

Picture ID's must be presented.

If under age 18, we need a driver's license, court waiver and birth certificate.

The fee is \$45.00 payable at the time of filing.

Social Security numbers need to be on the license.

The license is not valid for 3 days (e.g. license done on Monday, you may get married on Thursday) and is only valid for 90 days.

You do not need to get married in the town that issues the license. Once you are married, the Officiant sends the Town Clerk the information regarding the wedding. You may obtain the certificate at the Town Clerk's office. The cost is \$12.00 and is also collected at the time of filing.

If a person was born in, or died in the Town of Lyndeborough before 1988 we can issue a copy of the birth/death certificate. The cost is \$12.00.
