

CONSERVATION COMMISSION MEETING

July 12, 2012

7:30 p.m.

MEMBERS PRESENT: Chair Mike Decubellis, Andy Roeper, Pauline Ball, Sharon Akers

NEW BUSINESS:

Jason Janowiec, Sharp Road; Map 206 Lot 017; Wetland application

The Commission reviewed the Wetland application received from Todd Land Consultants. Mr. Janowiec's representatives, Bob Todd and Rick Kohler designed a plan for the construction of a pond in the wetlands on the property. The subject property is within one-quarter mile of the Piscataquoq River. The application is for a Impact Standard Review for a Minor/Major Wetland disturbance. The pond's size will be approximately 15,200 sq. ft. and is located in a forested wetland. The preferable site location was determined to be north of the marsh. A surface collector pipe will allow filtered water back into the wetlands.

After reviewing all the material submitted with the application, the Commission agreed that it was complete and M. Decubellis will submit it to the Town Clerk for her signature.

TREASURER'S REPORT:

As of June 30th, the bank account balance is \$47, 506.60.

CHAIRMANSHIP:

Because M. Decubellis will be taking over the duties as chair for another board, he will be stepping down from his role as chairman for the Commission but intends to remain as a full member. The Commission nominated Sharon Akers as the new chair and vote unanimously in favor of this nomination.

MINUTES:

Although the June 21st minutes for a special ConCom meeting were sent out to commission members for their review, no changes or comments were made.

ADJOURNMENT:

The meeting adjourned at 9:00 p.m. The next meeting will be held on Thursday, August 9th in Center Hall.

Pauline Ball
